SOUTH AFRICA (June 12-25):

-Our annual mission in South Africa is for our Juniors and Seniors.

-Our annual trip to South Africa is set aside for our Juniors and Seniors.

-It is a life changing trip that tends to stick with our students into college and beyond.

-We partner with a non-profit Christian organization called Living Hope in Cape Town, South Africa.

-Our main mission is to serve the employees, and help them run their Holiday Club, which is their version of a Vacation Bible School.

-These Holiday Clubs take place in townships where poverty is rampant.
